Subject: Designated truck routes in Hermosa Beach

Dear city clerk:

How do I go about getting information on the designated truck routes that Michael Jenkins (city attorney) referred too in his response to me related to trucks using 27 st as a thoroughfare route to get from truck routes east of valley drive (i.e. Ardmore) to truck routes in Hermosa and Manhattan Ave.

I'm also interested in getting information on any changes to the designated trucks made in the last 20 years and records of any public hearings that were held to discuss changes to Hermosa beach truck routes.

Quote from Michael Jenkins (HB

city attorney

In most cases, commercial truck traffic is prohibited on 27th Street because it is not a designated truck route on the City of Hermosa Beach Truck Routes Map. Consequently, trucks over three (3) tons are generally prohibited on 27th Street. However, the California Vehicle Code (CVC) Section 35703 provides an exemption to trucks making deliveries provided that they take the most direct route to their destination:

END MICHAEL JENKINS COMMENT

Thank you. Tony Higgins
